Dear Archbishop/Bishops, Youth Directors, Coordinators, and Youth Leaders,

Greetings from the KRCBC Youth Commission!

## 1. Christmas Message

At the very outset, Karnataka Regional Youth Commission brings you a fruitful and spirit-filled Holy Season of Advent. Of course, we have

already began the Holy season of Advent. It's a period of spiritual preparation to receive baby Jesus into our hearts. It's a time of great joy and hopes for all of us to feel His presence which involves prayer, meditation, fasting and repentance.

We are still living under uncertainties. People are

still going through anxiety, stress and a gloomy atmosphere in their life. But our hope is not abated. With strong conviction, we are popping up, again and again, to begin a new journey amid the dark cloud.

Pope Francis in his recent message to the participants of the upcoming Christmas Contest on 22 November 2021 said, 'Light of Christmas shines all the brighter amid the darkness of pandemic.' He went on to stress that the beauty of Christmas shines through in the sharing of small gestures of concrete love.

Remember, despite the great difficulties we are facing, the pain and despair are not the final words, we have still hope to revive our ministry and to reach out to many young people who require it. Let Baby Jesus inspire all of us to rediscover Christ among the young people who are lost. Let our youth ministry become a cradle of hope, a place of acceptance, forgiveness and a source of love to all the youth of Karnataka. Sending you all a very warm wish of Christmas love and a prosperous New Year 2022.

# 2. World Youth Day Message

Pope Francis in his message released on Sept. 27, invited the youth to join a "spiritual pilgrimage leading to the celebration of the World Youth

Day 2023" in Lisbon, Portugal. Reflecting on the dramatic conversion of

St. Paul the Apostle, the Pope declares, "In Jesus' name, I ask you: Arise! Testify that you too were blind and encountered the light. You too have seen God's goodness and beauty in yourself, in others, and in the communion of the

Church, where all loneliness is overcome." The thrust of the whole message was "Arise! Testify joyfully that Christ is alive! The Pope urges every young people to spread his message of love and salvation among your contemporaries, at school and in the university, at work, in the digital world, everywhere.

Pope Francis particularly stated in the message that "WYD would be celebrated at the diocesan level on the Solemnity of Christ the King with the theme "Arise! I make you a witness of what you have seen," inspired by Jesus' words to St. Paul recorded in Acts 26:16." Thanks to all the directors who celebrated the event in preparation for World Youth Day 2023.

## 3. Diocesan visit

Karnataka Regional Youth Commission organized a diocesan visit in October 2021. It's a great joy experience to visit ten dioceses in the region. We are grateful to the Bishops, Vicar General, Coordinators and Directors for their hospitality and friendly gestures during the visit. The visit was fruitful wherein a lot of time was given to listen, to share, to suggest many things and to get reports. The interaction helped me to know new directors who had been appointed recently and to build an amicable relationship with them. Many bishops appreciated the visit and expressed that it was a great move from KRCBC after a long time.
