Bless all young people with courage and determination to bring change in the hearts of all. Bless our National Youth Convention with Your grace and wisdom. 8. **NYC-2017 Logo:**

The human like forms that form a circle around the cross stands for all the youth. The cross which stands tall within this circle symbolises the major presence of Christ that is present in the Catholic Youth. The bible with the words "Walking His Way" stands for the importance of the Holy Scripture in our lives. It is through the Bible that we understand Jesus better and in turn learn to Walk His Way.
